## **Background**

I am currently living in Sao Paulo and am developing my post doctoral research in the area of semiotics of art, within the Pontifical University Catholic's intelligence technologies program. Concurrent to these activities, I teach drawing and artistic anatomy, as exercise of my research. Also I am translating from French to Portuguese authors that I will publish in Brazil with the label "Universe of Knowledge".

From 2010 - Member of the Scientific Council of Real Multiversidad Edgar Morin in Mexico and International Collaborator for the "Institut des sciences de la communication du CNRS.

From 2009 to 2012 - Member of the Academic Council of the Institute of International Relations at the São Paulo University.

From 2004 to 2010 - I developed with Yves Michaud, the project "Universe of Knowledge", which was a partner of the "Université de Tous Les Savoirs" University of Paris 5 - René Descartes. [www.utls.fr](http://www.utls.fr)  
[www.universodoconhecimento.org.br](http://www.universodoconhecimento.org.br)

From 1994 - Publisher at Marco Editions.

From 1994 to 2000 - Vice-Rector of São Marcos University.

From 2000 to 2007 - Director of International Relations of São Marcos University in São Paulo.

From 2004 to 2005 - Member of the scientific committee of the Forum of Brazilian Institutions Higher Education Extension.

From 1989 to 1994 - Chairwoman and professor of the Brazilian-French Culture Association – “Alliance Française” in Mogi das Cruzes, São Paulo.
